

Quicken Conversion Instructions

As we complete our system conversion, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac, and all three connectivity types (Direct Connect, Express Web Connect or Web Connect).

These instructions refer to two "Action Dates." Friday, February 6, 2026 and Monday, February 9, 2026.

IMPORTANT: Express Web Connect may not be available until 5 business days after Monday, February 9, 2026, so please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect or Direct Connect (if supported).

To navigate this document, just click the link or links below that match your product and connectivity:
